Hi Lorena and Elise,

FYI – The Port folks all think that this may be a wonderful, “opportunity” for San Pedro and that we should take advantage of it. It’s probably a good idea to have trolleys run on Friday allowing folks from the ship easy access to downtown. Also, it would be great if we can notify all the local businesses and let them know that there will be cruise ships overnight (do we have the ability to e-mail something out?). It would further be great if local businesses offer discounts or have a welcoming sign on their business (Welcome Cruise Passengers, 10% discount on blah, blah, blah).....

Thanks,
Augie

Yes, the ships begin and end the cruises here but people with flights will likely not be able to change them and others will likely enjoy just being on the ship and using it as a "staycation"
